## PODUZETNIČKI DAN UČENIČKE ZADRUGE „MIĆI TRSAĆANI“

### OSNOVNE ŠKOLE „TRSAT“

Učenička zadruga „Mići Trsačani“ sudjeluje u projektu Europske komisije „Europski dan poduzetništva za učenike“. Organizator projekta pod radnim nazivom „Poduzetnički dan školskih zadruga“ je Agencija za odgoj i obrazovanje Republike Hrvatske.

Povodom obilježavanja Dana škole OŠ „Trsat“, pored ostalih sadržaja, održat ćemo:

#### Dan učeničkog zadrugarstva OŠ „Trsat“

u srijedu, 27. svibnja 2015.

( 11:00– 14:00 sati)

Europska komisija prepoznaje učeničko zadrugarstvo kao temelj razvoja poduzetničke kompetencije, a istovremeno kao dodatnu motivaciju pri izboru budućeg zanimanja. Stoga su naši ciljevi:

- predstavljanje rada školske zadruge lokalnoj i široj zajednici
- otvaranje škole lokalnoj zajednici i bolje povezivanje sa zahtjevima tržišta rada,
- upoznavanje s poduzetnicima i njihovim iskustvima,
- prikupljanje informacija iz prakse o svijetu rada, o različitim zanimanjima,
- upoznavanje primjera aktivnosti koji otvaraju različite nove ideje i perspektive i
- poticanje i popularizacija poduzetničke kulture.

Na poduzetničkom danu će nam se pridružiti uvaženi gosti - predstavnici : Agencije za odgoj i obrazovanje, Ministarstva poduzetništva i obrta, Gospodarske komore, predstavnici sa Zavoda za zapošljavanje iz odjela za profesionalno informiranje učenika, poduzetnici te članovi lokalne i šire zajednice.

Pozivamo goste-poduzetnike da se predstave našim učenicima prema svom odabiru, bilo kratkim izlaganjima, prezentacijama, promo filmovima ili postavljenim izlagačkim prostorom kako bi im približili rad i život poduzetnika. Za tehničke preduvjete i organizaciju predstavljanja potrebno je kontaktirati školu na niže navedenu e-mail adresu koordinatora Učeničke zadruge.

Naši mali zadružari nositelji su programa koji će se odvijati ovim redom:

- Predstavljanje Učeničke zadruge „Mići Trsačani“
- „Što je poduzetništvo – NAŠ RECYCLE ART?“ - primjer iz naše prakse, od ideje do proizvoda
- Razgovor s gostima poduzetnicima i njihovi savjeti
- Izložba proizvoda učeničke zadruge u atriju škole tokom cijelog događanja

Nadamo se da ćete nam se pridružiti na ovoj vrijednoj manifestaciji.

### ENTREPRENEURSHIP DAY OF School co-operative "*Mići Trsačani*" PRIMARY SCHOOL "TRSAT"

Our School co-operative "Mići Trsačani" is participating in the **EUROPEAN ENTREPRENEURSHIP DAY FOR STUDENTS**, a project started by the European Commission. The Agency for Education and Teacher Training is the head organizer of all the events related to the EU Entrepreneurship day for students in Croatia.

So, among many other activites planned for the School anniversary day, considerable amount of time will be spent **on** introducing :

The day of primary school "TRSAT" co-operative  
Wednesday, 27th May 2015  
(from 11:00 AM to 14:00 PM)

European Commission recognizes student co-operatives as the basis for developing entrepreneurial competences, as well as a further motivation for students to successfully complete formal education and choose a suitable future vocation more easily. Therefore, our goals are :

- presentation of our School co-operative to local and global community
- opening the school to the local community and improving relations with the labour market and its demands
- meeting the entrepreneurs and learning from their experience
- gathering practical information about employment and various occupations
- learning about activities that lead to new ideas and perspectives
- encouragement and popularization of the entrepreneurial culture

We will host a number of distinguished guests, representatives of : Education and Teacher Training Agency, Ministry of Entrepreneurship and Crafts, Croatian Chamber of Commerce, Career Counselling department of Croatian Employment Office, entrepreneurs and members of local community.

Agencija za odgoj i obrazovanje  
Education and Teacher Training Agency

We invite and welcome our guests-entrepreneurs to introduce themselves to our students according to their own preferences, either by a short presentation of their work and needs, promotional videos or set-up display area in order to fully envisage their work, its advantages or disadvantages and life in general. It would help us understand the whole idea of entrepreneurship better and open new horizons for us all. For technical details and further information regarding the organization of presentations please contact the school's co-operative coordinator via e-mail listed below.

Our co-operative students are the programme leaders, scheduled as follows :

- presentation of our School co-operative "Mići Trsačani"
- "What is entrepreneurship - OUR RECYCLE ART ? " – an example from our practical work, from the initial idea to the final product
- discussion with the guests entrepreneurs and their advices
- exhibition of student co-operative's products in the atrium of the school during the entire event

We sincerely hope you'll join us on this valuable and ambitious manifestation.
